

- Giving Tuesday: not very successful, maybe pick a different time of year, perhaps look at a child specific day where we could tie in our mantra such as June 11<sup>th</sup> is National Children’s Day. Tactical Committee to make suggestions as to how to move that forward.
- Broadway Theatre tickets, do not generally generate tremendous revenue but do bring people together. Tactical Committee to recommend shows for 2023.
- Look at a local restaurant for a possible family night where 10% of sales are donated to the Foundation. That would fall in the purview of the Strategic Partnership Committee. Will look for recommendations.
- Scholarships Program is part of our bi laws. Currently, the program requires a lot of manpower and recipients don’t come back to collect all money. Perhaps this is a good time to look at revamping program. Exploring concepts such as looking at the program and giving out scholarships based on merit, need and give back to community. Also explore the amount dispensed, maybe raising it to \$2K-\$2500. Application process also needs to be upgraded.
